

Personal Invitation

This is a personal invitation to show your support for someone with Autism. Brothers and sisters, moms and dads, cousins and in-laws, aunts and uncles, friends and neighbors, co-workers and employees... these are just some of the people you can recruit to be on your 2009 Kilbride Family Classic Team. Your incentive; the team with the most participants wins a great prize! Please confirm team name and number of members at the registration table on race day.

The area High School with the most participants, teachers, students, and staff will receive a \$100 donation for it's crosscountry/track team. Be sure to list your school and affiliation on your entry form.

Children's Run Boys & Girls 10 yrs. & Under (2 yr. Age Groups)
